

Eurasia Tunnel's Toll Can Now Be Paid via Yapı Kredi

Eurasia Tunnel, the shortest route between two continents in Istanbul, has added another facility for easier payment of the tolls. Users of the Eurasia Tunnel can now pay their tolls viya Yapı Kredi Bank. Until now the drivers could make their payments for tolls and illegal passes by clicking www.avrasyatuneli.com and via Garanti Bank.

Thanks to the cooperation between the Eurasia Tunnel and Garanti Bank, the drivers will be able to pay their tolls as well as their pass violations with ease. The payments can be made via all branches of Yapı Kredi Bank as well as the Bank's mobile and internet banking services on a 24/7 basis.

In the mobile and internet banking services of Yapı Kredi Bank, the payments for Eurasia Tunnel shall be made through the bill payment section under the payments option in the menu.

This service has become available as of April 15, 2018 thanks to the cooperation between the Eurasia Tunnel And Yapı Kredi Bank.
