EURASIA TUNNEL'S TOLL CAN NOW BE PAID VIA ISBANK

Eurasia Tunnel Keep Easing the Lives of its Users

After making the life easier by shortening the travel time between Kumkapı on the European side of Istanbul and Koşuyolu on the Asian side to 5 minutes and offering a quick alternative for crossing the Bosphorus, now adds another payment convenience each day passing.

Drivers who use the Eurasia Tunnel can now pay their tolls via Isbank in addition to www.avrasyatuneli.com, Yapı Kredi Bank and Garanti Bank.

Thanks to the cooperation between the Eurasia Tunnel and Isbank, drivers will be able to pay their tolls as well as their pass violations with ease. The payments can be made via all branches and ATM's of Isbank as well as the Bank's mobile and internet banking services' bill payment sections on a 24/7 basis.

This service has become available as of 08.10.2018 thanks to the cooperation between the Eurasia Tunnel and Isbank.
